VNAH-HealthEd's 22nd ANNIVERSARY GALA

This year marks VNAH's 22nd anniversary. As it is an occasion for reflection, we are encouraged and inspired by the progress achieved, and we are optimistic about the future.

Please, help us build a health clinic in Vietnam.

You can buy a brick, and help build a health and rehab clinic for disabled children in a rural area. VNAH and HealthEd are raising funds to build a needed health clinic for disabled children.

**Donate \$100, and get a brick with your name on it. The brick will be built into the clinic.
Donate \$500 and get a brick for each member of your family.**

Later, you can visit the clinic, see your bricks, and receive the "Thank you" from the disabled children served at the clinic you helped to build. Your support will be etched in brick, lasting for generations, helping hundreds of children.
